DR. YAGER IS THE EXPLITIVE. HE IS AN AMERICAN LEGEND.

Dr. Yager is an excellent and very prepared teacher. I have had him before, and he continues to impress me with his ability to teach. Dr. Yager is the explitive. Picture of a stick figure, superman sign, and the sun.

Dr. Yager is boss. Probably the best professor in the department.

Dr. Yager is one of the best professors I have ever had the opportunity to study under. He does an incredible job of stimulating interest in the course and backing that up with knowledge. YAGER FOR PRESIDENT!

Great Class

Great teacher. Learned a lot in this course. Thank you for an interesting class.

My only complaint would be that you should have told us that the other textbook was for optional reading...I could have saved that money but overall I have enjoyed coming to class.

Wonderful Professor, Very Knowledgeable! Knows what he's teaching.

Yager is the explitive...enough said. Best Pol Sci professor, intellectual and makes class interesting.
