<p>- Great class, Yager is the best professor in the department. Will take as many classes as possible with him in the future.</p> <p>- Dr. Yager is one of the best professors I have taken while in college. His passion for learning is second to none. He is a class act and a wonderful representative of this University. I look forward to taking him for other courses.</p> <p>- By far the best course and instructor of political science, especially since I have accumulated roughly 42 hours in PS courses.</p>
