<ul style="list-style-type: none"> <li>• Best professor in the department, unbiased, informed, and engaging.</li> <li>• I understood what my lecture was saying, the course informative.</li> <li>• Great lectures and discussions!</li> <li>• Dr. Yager is a wonderful professor. He gets everyone excited about the topic, and his lectures are phenomenal. I never thought I would be so invested in learning about political theory. He's incredibly knowledgeable, and his lectures are clear and easy to take notes with. Exams are challenging but not unfair, and I always feel intellectually stimulated by this class.</li> <li>• I love Dr. Yager. I think he is very interesting, and he is obviously incredibly passionate about his classes. I have had him once before, and he is a very tough grader, without a doubt. I don't think I could get an A in any of his classes, and I genuinely try. I had this as a right class, and it was sometimes very difficult to get through, not because of Dr. Yager himself, but because the content of this course could get very dry at times, regardless of Dr. Yager's constant enthusiasm. Anyway, he is a great professor who cares deeply about his students and his trade, but I do not know that I could take another one of his courses, despite this, simply because I do not know if I can afford to get more Bs. To anybody smarter or more apt than I, however, I would recommend Dr. Yager as an instructor in a heartbeat.</li> </ul>
