<p>- Dr. Yager is an exceptional professor, and is always a wonderful teacher in every class he teaches. His helpfulness and knowledge of material are second to none. He is a wonderful asset to the Political Science department, and is a great ambassador for the University.</p> <p>- Dr. Yager is, first of all, brilliant. Besides his genius nature, he teaches with such passion that it rubs off on me. He is very helpful even outside of the classroom. Any class from Yager, and one is destined to learn.</p> <p>- I have taken this professors class three semesters in a row. This professor really knows the material and really goes to great lengths to make sure that the students are able to understand it as well. I really enjoyed taking this course.</p> <p>- This is one of my favorite classes. Dr. Yager does well with such a small group, and truly knows how to engage each student who attends. He also does an awesome job of being impartial, and it is appreciated by everyone in the class. With that being said, he encourages discussion, which is helpful in a class of that size. Overall, it is a great class and it is taught well. Thank you Dr. Yager!</p> <p>- Yager classes are always great, this was no exception. Always well prepared, and always eager to discuss the subject matter.</p>
